Comments

“ Rick, we always felt you and Julie were a part of our QSM family and always looked forward to seeing each of you at the Christmas Party every year. You've been friend and co-worker and one of the reasons for our success at the company. You always looked out for us and we pray and send our love out to you to look out for you. If you need anything, you know where we are and our doors and arms are open to you.
