“ Dearest Brian, Barry, Marcia & Michelle - I'm so very sorry you have this heartache. Marylin has always been so kind to so many people. Although it has been a long time since we had one of our "power chats" (read 1 hour + phone calls), I treasure them all so much. She loved telling me stories not only about Newland, but her life in Ohio & St. Augustine. We'd laugh, pinkie-swear not to tell a secret & sometimes get very emotional about our memories of those we've lost. She often worried about how much stress she was putting on you all regarding her health. She always said she was not well, but LUCKY. She was lucky to have had such a wonderful husband, lucky to have so many wonderful memories of growing up in what seemed like an idyllic time, lucky to have traveled to wonderful places, lucky to have such loving children, and lucky to be able to live in a safe and comfortable new home. She always counted her blessings which shamed me into realizing how LUCKY I am too. I'm lucky to have you all as my family, lucky to have had wonderful conversations with a fascinating woman, and lucky to have her trust me with her childhood home. I send you all my LOVE, my prayers and my hope that you will get through this difficult time with peace. All my love, Vickie

Your Mom was also so sweet and involved in your lives during the time we knew you at Pacolet. She always had a smile on her face and ready to take on anything to benefit all of you. We will miss her and cherish the times we had with all of you.
